ASSOCIATION**

# Memo

**To:** Noelani Rental Guests  
**From:** Julie Bak – Rental Manager  
**Date:** July 14, 2020  
**Re:** Important COVID-19 Notice for our valued Noelani Rental Guests!

---

Aloha Valued Guests,

We want you to know that at Noelani Rental Association, our primary concern is always to protect the health, safety and well being of our valued guests, employees and community at large.

As the on-site rental staff continues to closely monitor Coronavirus (COVID-19) in Hawaii, we are very proactive at the property level including, but not limited to, the implementation of enhanced cleaning and pre-arrival sanitizing procedures by our Housekeeping staff in all of our rental units.

Our in-person Concierge services will be cancelled until further notice due to increased precautions regarding COVID-19. Also, our on-property Exercise Room and Common Areas will be closed until further notice as well.

NOTE: Anyone coming from overseas or the US Mainland effective September 1<sup>st</sup>, 2020 would be required to provide NEGATIVE test of COVID-19, 72 hours pre arrival to Hawaii, to avoid the 14 days quarantine. Please continue to check our website or contact our office as updates are subject to change prior to your arrival.

From our Ohana (family) to yours, thank you for your understanding and we look forward to welcome you all back soon to Noelani!

Mahalo Nui Loa!

Julie Bak -Noelani Rental Association Manager
